*Provides a Higher Level of Sanitation—Disinfects While it Cleans*

*Eliminates Odors—Clean Lemon Fragrance Freshens Air*

*Neutral pH Formula Cleans Without Dulling Floors*

# NU LEMON

## INSTITUTIONAL CLEANER/DISINFECTANT

### Professional Recommendations

- Change mopping solution frequently to ensure germicidal activity
- For best results, use this product every day. Not intended for "catch-up" cleaning
- Start each shift/day with fresh disinfectant solution
- For best results and prevent overuse, dilute according to directions; Too weak a solution will not meet germicidal requirements

### Specifications

Appearance . . . . . Clear, yellow liquid  
 Odor . . . . . Lemon  
 Density (lbs/gal) (±0.1 @20°C) . . . . . 8.3  
 pH (Conc.) (@20°C) . . . . . 6.00-8.00  
 Refractive index (±0.0020 @20°C) . . . . . 1.3410  
 % Active quat . . . . . 2.0  
 Stability (40°-120°F) . . . . . Stable  
 Freeze/thaw stability . . . . . OK 3 cycles  
 Shelf life (Closed containers, 40°-120°F) . . . 1 year minimum

### Equipment List

- ✓ Wet floor signs
- ✓ Dust mop
- ✓ Scraper
- ✓ Single disc or autoscrubber
- ✓ Red or blue pad
- ✓ Cotton mop
- ✓ Mop bucket

*Available in sizes:*

*1, 2.5 and 55 gallon containers.*

Wear safety equipment recommended on MSDS, place wet floor signs and read all directions and cautions prior to beginning work.

Remove gross soils (labels, gum). Dust mop floor daily.

As needed once or more per week, dilute this product (5 oz. per gal.) with tap water. Scrub with mop or autoscrubber to remove spots and spills. Allow to dry.

Allow to work 10 minutes to assure complete disinfection. No need to rinse.
