Disinfects While it Cleans*

*Eliminates Odors—
Clean Pine Fragrance
Freshens Air*

Contains Real Pine Oil for Better Cleaning and Deodorizing

NU PINE

INSTITUTIONAL CLEANER/DISINFECTANT

Professional Recommendations

- Change mopping solution frequently to ensure germicidal activity
- For best results, use this product every day. Not intended for "catch-up" cleaning
- Start each shift/day with fresh disinfectant solution
- For best results and prevent overuse, dilute according to directions; Too weak a solution will not meet germicidal requirements

Specifications

Appearance Clear, green liquid
 Odor Pine
 Density (lbs/gal) (±0.1 @20°C) 8.3
 pH (Conc.) (@20°C) 6.00-8.00
 Refractive index (±0.0020 @20°C) 1.3525
 % Active quat 1.9
 Flashpoint (TCC) 111°F
 USDA rating C-1
 Stability (40°-120°F) Stable
 Freeze/thaw stability OK 3 cycles
 Shelf life (Closed containers, 40°-120°F) . . . 1 year minimum

Equipment List

- ✓ Wet floor signs
- ✓ Dust mop
- ✓ Scraper
- ✓ Single disc or autoscrubber
- ✓ Red or blue pad
- ✓ Cotton mop
- ✓ Mop bucket

Available in sizes:

1, 2.5 and 55 gallon containers.

Wear safety equipment recommended on MSDS, place wet floor signs and read all directions and cautions prior to beginning work.

Remove gross soils (labels, gum). Dust mop floor daily.

As needed once or more per week, dilute this product (3 to 12 oz. per gal.) with tap water. Scrub with mop or autoscrubber to remove spots and spills. Allow to dry.

Allow to work 10 minutes to assure complete disinfection. No need to rinse.
