## Lime Remover And Descaler For Alkaline-Resistant Soils And Deposits

### END USE APPLICATIONS

- **Foodservice:** Delime/descale food processing equipment, coffee urns, espresso machines, kettles, dishmachines, steamtables, glassware and nursery bottles
- **Washrooms:** Shower stalls, urinals, toilet bowls, tubs and shower heads
- **Other:** Animal cages, lab glassware, humidifiers, washing machines and drinking fountains
- **Brick, Stucco, Steel, Aluminum and Porcelain Surfaces**

### KEY BENEFITS

- Product is non-corrosive on skin
- Product is non-corrosive on aluminum, stainless steel and mild steel
- No Fumes - Low odor
- Lengthens life of metals and porcelain
- No residue
- Not TDG nor DOT Regulated

### SIZES:

946 mL (1 U.S. quart)  
3.78 L (1.0 U.S. gallon)

**INSTRUCTIONS:** Before using Lime Remover and Descaler, remove or protect all food products and packaging materials. After use, all surfaces should be thoroughly rinsed with potable water.

**Cleaning Toilet Bowls, Urinals and Sinks:** Use full strength, wipe and rinse.

**Cleaning Brick and Stucco:** Brush, wipe or roll on full strength. Let sit for 3-5 minutes then rinse off. Test on an inconspicuous area first.

**Cleaning Glassware and Nursery Bottles:** Wash glassware in solution of 9 oz. of Lime Remover and Descaler to 3 gal. of hot water. Soak or brush if necessary. Rinse thoroughly in clean water and drain dry.

**Cleaning Stainless Steel Food Processing Equipment:** Apply full strength with hand or tank sprayer, saturated sponge or cloth. Rinse with clean water and wipe dry.

**Cleaning Coffee Urns:** Fill water jacket of urn with hot water and add 3 oz. of Lime Remover and Descaler per gal. of water. Heat and let stand for 15 minutes. Drain and rinse thoroughly with water.

**Cleaning Animal Cages:** For removal of urine scale and film, apply 50% solution of Lime Remover and Descaler and hot water to the cages and trays or soak in a solution of 8 oz. Lime Remover and Descaler per gal. of water. Rinse thoroughly and allow to drain dry.

**Deliming Dishmachines:** Fill tank 2" to 3" below overflow level. Turn tank heaters on. Add 1 gal. of Lime Remover and Descaler and allow machine to run until lime scale disappears. Apply full strength to areas where spray does not reach. Where lime build-up is heavy, scrape excess deposits. Drain tank and refill with fresh water. Run machine for 5 minutes and drain. Delime as necessary to prevent heavy buildup.

**Deliming Steam Tables:** Brush or spray Lime Remover and Descaler full strength on interior surfaces. Let stand 10 minutes, then fill with water. Turn on heat and bring to operating temperature and let stand for 10 minutes. Brush or scrape off remaining deposits. Drain and flush thoroughly with clean water.

**Before using this product, read the MSDS sheet and label directions carefully**

### PACKAGING

Wherever possible, bottles and pails made from recycled plastic (10 - 25%). Can be recycled where facilities exist. Boxes made from recycled cardboard (94 - 100%).

### NATURAL RENEWABLE RESOURCES

Wherever possible, we use only naturally-based, renewable ingredients, such as grains, corn oil, palm kernel oil, coconut oil, sugar cane juice & glucose.

### TOXICITY

Acute Oral/Dermal Product considered essentially non-toxic according to WHMIS regulations.

### CERTIFIED

Environmental Choice Program  
CCD-146J-Bathroom Cleaner
