

GENERAL PURPOSE AND SPECIALTY CLEANERS

ENVIRO

Solutions™ 10024

BIO ENZYMATIC DRAIN MAINTAINER

- **Liquifies grease, fats, organic matters in:**
 - Grease traps
 - Drains
 - Drain lines
- **Reduces effluent with:**
 - Suspended solids
 - Oil/Grease
 - High BOD
- **Helps meet municipal sewer by-laws**

DIRECTIONS:

Drains Exposed to Heavy Contamination:

Add an initial dose of 900 ml. Bio-Enzymatic Drain Maintainer followed by 250 ml. warm water. This will activate the bacteria and begin growth of the biomass. Repeat again the next day. Begin daily maintenance additions of 300 to 500 ml. by manual addition or by the use of the E.S. Pro Portion automatic feed system

Drains Exposed to Light Contamination:

Add an initial dose of 500 ml. and follow by 3-5 times weekly additions of 300 ml. either manually or by the E.S. Pro Portion automatic feed system

Grease Traps:

Remove as much grease and other waste from the system as possible. Add 300 – 500 ml. daily (manually or automatically) at night or when there will be minimal water flow through the system

BENEFITS

- Liquifies grease, fats, organic materials naturally – but even faster
- Eliminates grease trap waste
- Works manually or with Enviro-Solutions automatic equipment
- With automatic equipment, set just once and correct product will be dispensed at right time, day after day

SIZES:

18.9 L (5.0 U.S. gallon)

**APPROVED FOR USE IN REGISTERED
FOOD ESTABLISHMENTS BY AGRICULTURE
AND AGRI-FOOD CANADA**

PACKAGING

Wherever possible, bottles and pails made from recycled plastic (10 - 25%). Can be recycled where facilities exist. Boxes made from recycled cardboard (94 - 100%).

HEALTH & SAFETY

Environmental Regulatory Lists: No ingredients are listed. **Product does not contain:** EDTA, Phosphates, Nonyl Phenol, Glycols, Alcohols

Not Flammable / Non-Corrosive / Low Odor

Carcinogenic: No ingredients listed by IARC or NTP.

BIODEGRADABILITY

(Decomposition of organic substances into carbon dioxide, water and other harmless substances.) Rapid biodegradation reduces impact on the environment and food chain. All organic cleaning ingredients in these formulas are readily biodegradable per OECD Test 301D.

NATURAL RENEWABLE RESOURCES

Wherever possible, we use only naturally-based, renewable ingredients, such as grains, corn oil, palm kernel oil, coconut oil, sugar cane juice & glucose.

CFIA

CFIA APPROVED

Canadian Food Inspection Agency approved - letter of no objection.

TOXICITY

Acute Oral/Dermal Product considered essentially non-toxic according to WHMIS regulations.
